

GRK 2504

Novel antiviral approaches

Advances in Molecular Virology

Transmission bottlenecks: how body fluids impact viral spread

Prof. Dr. Janis Müller

Institut für Virologie, Philipps-Universität Marburg

Host: Prof. T. Gramberg

Friday, November 22nd, 2024, 1.15 pm

Seminar Room 1.057, Virologisches Institut
Schlossgarten 4, 91054 Erlangen

Guests are welcome!
