

GRK 2504

Novel antiviral approaches

Advances in Molecular Virology

Unraveling the functional role of the glycocalyx with multiplexed, molecular-resolution microscopy

Prof. Dr. Leonhard Möckl

Max-Planck-Institut für die Physik des Lichts, Erlangen

Host: Prof. K. Überla

Friday, January 24th, 2025, 1.15 pm

Seminar Room 1.057, Virologisches Institut
Schlossgarten 4, 91054 Erlangen

Guests are welcome!
